

## Invitation Details

# NESCE / SOMA TECHNOLOGY BARBEQUE JUNE 22, 5:00pm

"Clinical Engineering's Role for the Effective Acquisition of Refurbished Biomedical Equipment"

Soma Technology is ***generously*** providing, free of charge, an amazing barbeque and meeting to NESCE Members for our next event on Monday, June 22, 2009, at 5:00pm, to be held at Soma's offices in Bloomfield, CT. The event will be catered and will include steak, chicken and fish. There will be drinks/a bar on-site. This is one event you don't want to miss!

Soma Technology will show us effective techniques that a clinical engineering department can use to protect the hospital's interests and maximize the quality and support of the refurbished medical equipment purchased. There will be an insider's overview of the refurbished medical equipment business and a description of the different types of companies that are involved in the industry.

Soma will give individual/group guided tours during the cocktail hour and after the presentation.

You must **RSVP** to attend, so please let me know if you will be there. **RSVP by June 17**. Questions, please call Paula Bachman at 203.767.0432.
